Family Funds

Emergency food and fuel assistance and early help is available for families you are working with. The grant limit has now been raised to £100 per family.

Birmingham's Local Welfare Provision scheme helps vulnerable people in short-term crisis with food and essential items.

For a simple list of universal early help that is available from partners for all families go to the From Birmingham with Love page.

FAMILY CONNECT FORM

Please complete the form with as much information as possible.
This will help us provide the correct support, connecting families to
local and trusted organisations.

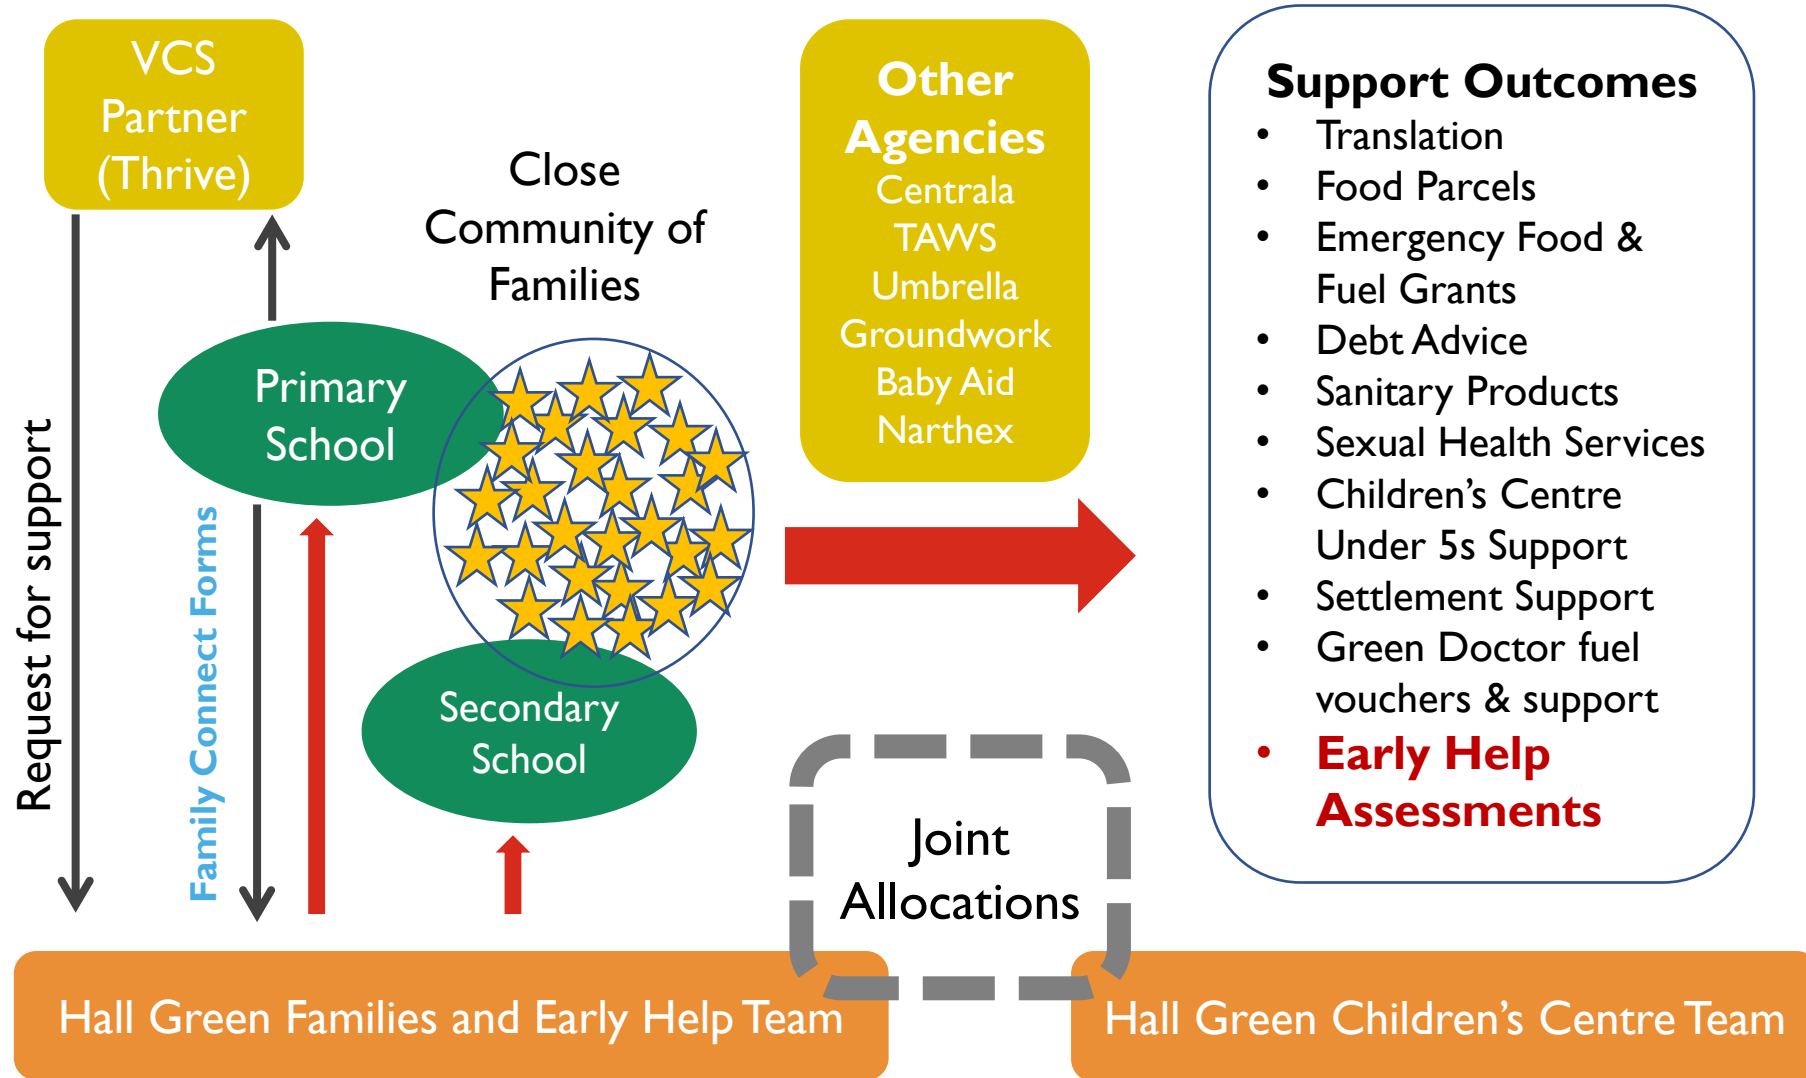

Hall Green Families Early Help Journey

Through connected pathways children, young people & families needing our support will move through each touch point below. This will help us provide the right help at the right time, using the strength of our community network. With the confidence to self-serve, where appropriate.

MULTI-AGENCY HALL GREEN EARLY HELP

38 Large Vulnerable Immigrant Families - little English, no benefits, uncertain settlement status

Discussions in Breakout Rooms

1. How are you supporting families from different cultures, newly arrived and hard to reach?
2. How can Hall Green Families support you in supporting families?
