

Charter

Hall Green
Neighbourhood
Network Scheme

What we will do together:

- Raise awareness of the Hall Green NNS offer.
- Improve partnership and collaborative working opportunities by developing mutual respect and understanding.
- Develop clear guidance for assets and Adult Social Care and commit to building stronger relationships.
- Champion the collective voice of community assets to become more influential.

Assets will commit to:

- Promote and market your own services/activities and help NNS keep our local directory and Connect to Support up to date.
- Tell NNS what information you need from Adult Social Care when citizens are being directed/connected.
- Take part in joint events with other assets and Adult Social Care.
- Help host local Adult Social Care surgeries.
- Share good practice, resources, and opportunities.

NNS will commit to:

- Support assets to market their offers through our local newsletter and social media platforms.
- Support local Wellbeing Networks/Forums.
- Facilitate networking events involving assets and Adult Social Care to build wider understanding of the 3 Conversations model.
- Run marketplace activities and host a celebratory event to showcase local assets offers.
- Engage and involve local councillors and MPs.
- Maintain local asset directory and Connect to Support.
- Develop a shared bank of resources and good practice.
- Connect assets to training and funding opportunities that encourage collaborative working.
